

---- Voting Instructions for the WAC 2025 General Election ----

In this election, paper and emailed ballots will be used to receive member votes. To obtain voting materials, there are several options available:

1. Connect to the WAC website at www.WashingtonArmsCollectors.org
Enter "GunNews" in the search box to display the GunNews index.
Select the 2025 Election Edition of the GunNews to view or download the election information;
2. Call the WAC office at (425) 255-8410 to have a copy of the GunNews Election Edition sent to you via postal mail;
3. Call the WAC office at (425) 255-8410 to have a copy of the GunNews Election Edition sent to you as an attachment in an email message.

After voting your ballot, please return the completed ballot to the Election Committee, on or before the election closing date of March 23, 2025.

If you desire for your voting selections to be confidential, write your membership number on an outer envelope, and return the completed ballot in that envelope to the ballot drop box, or via postal mail.

There are three ways to return your ballot:

1. A ballot drop box will be available during show hours at the WAC show scheduled for February 22 and 23 at the Puyallup Fair and Events Center (near the membership services area).

2. By postal mail with delivery to

WAC 2025 Election
PO Box 400
Sumner, WA 98390

3. Via Email

Your ballot may be scanned as an email attachment. Ballots returned via email should be addressed to

Office@WashingtonArmsCollectors.org with "Election Ballot" in the subject line.

Please note that your name and address, or your membership number must be included in the mailing for your ballot to be validated. Voted ballots received without member identification will not be counted in this election.
